

# *Faces of Reconstruction*

5th period Advanced Jonnie Neuhart

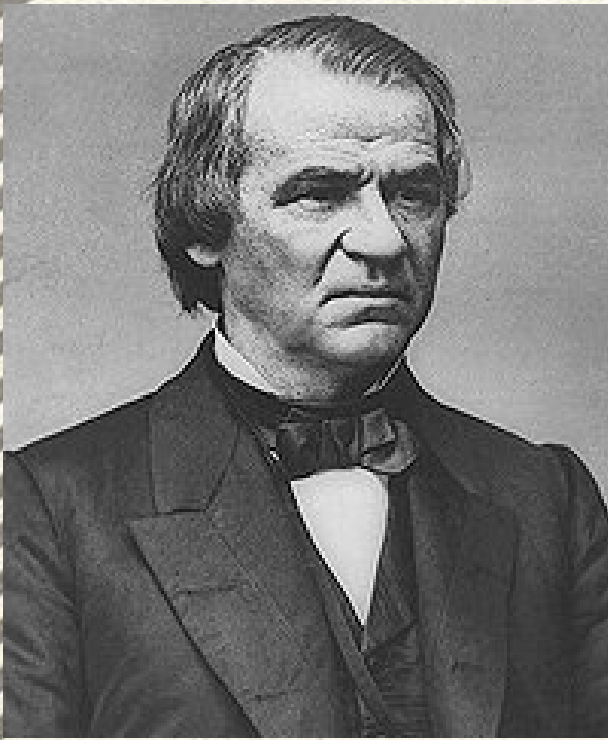

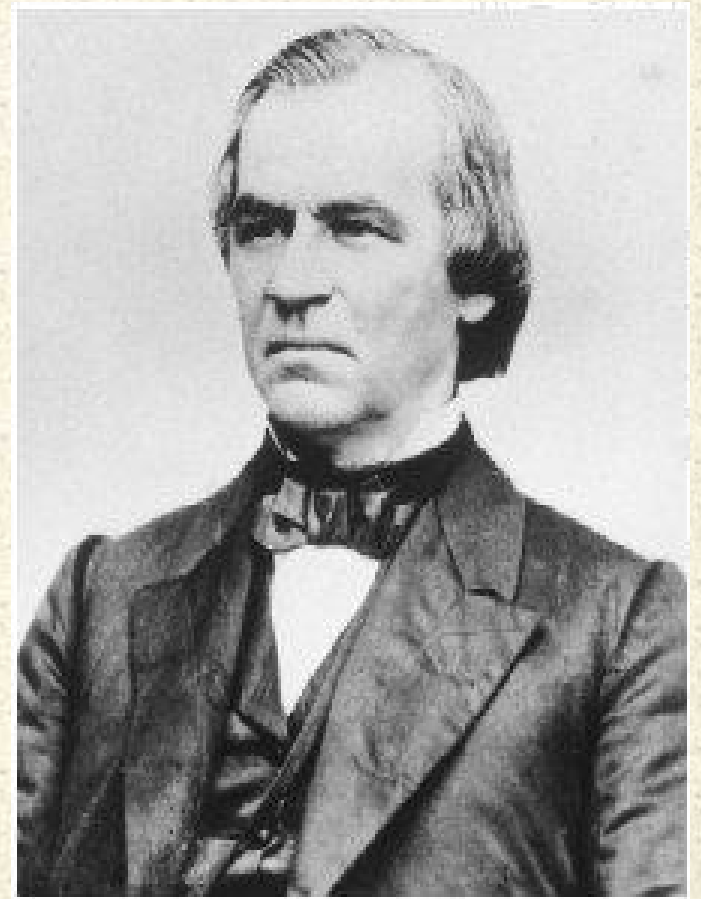

*Lincoln: President during the Civil war through the begining of the reconstruction. He was assasonated by Tom Wilkes Booth April 14th 1865.*

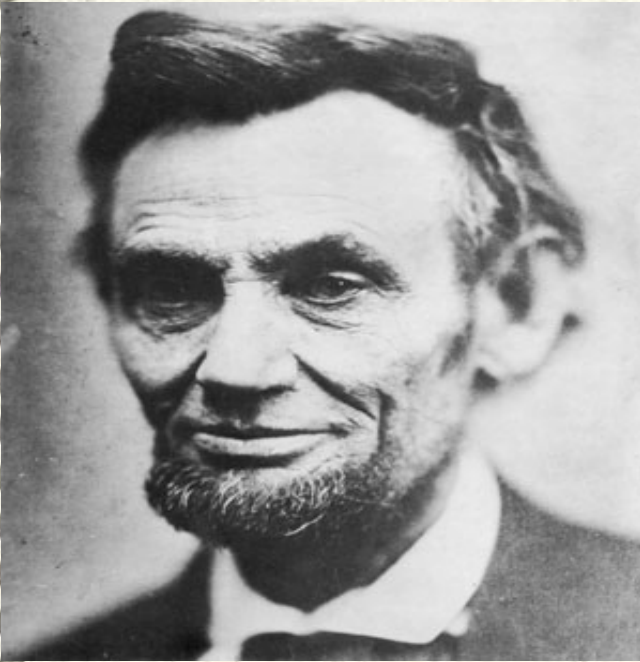

President Jackson: Became President after Lincolns assasanation.

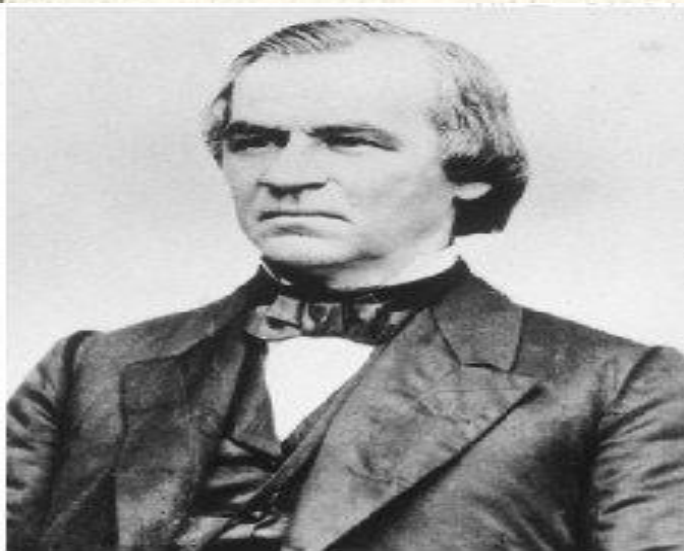

# Plans for Reconstruction

Lincoln:

- \*10% of the 1860 census in 1860 the southern states would be returned to the union.

- \*Freedmen's Bureau - provide temporary support to freed slaves like food, clothing, shelter, school, etc- provided by the union army.

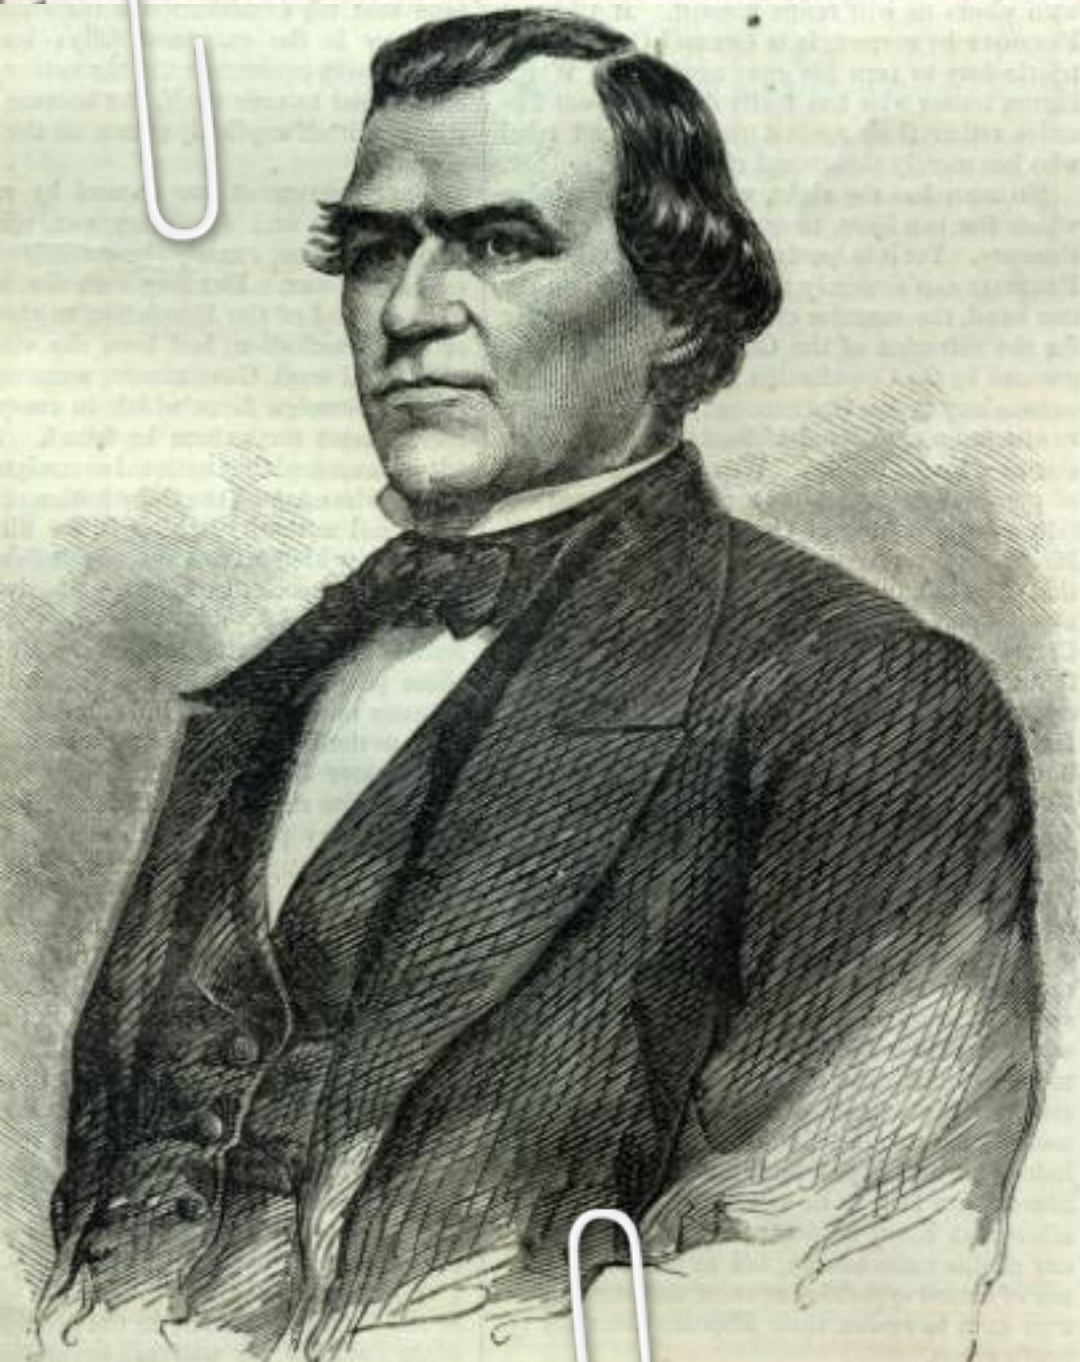

Johnson:

- \*Punish the south

- \*Proclamation of Amnesty

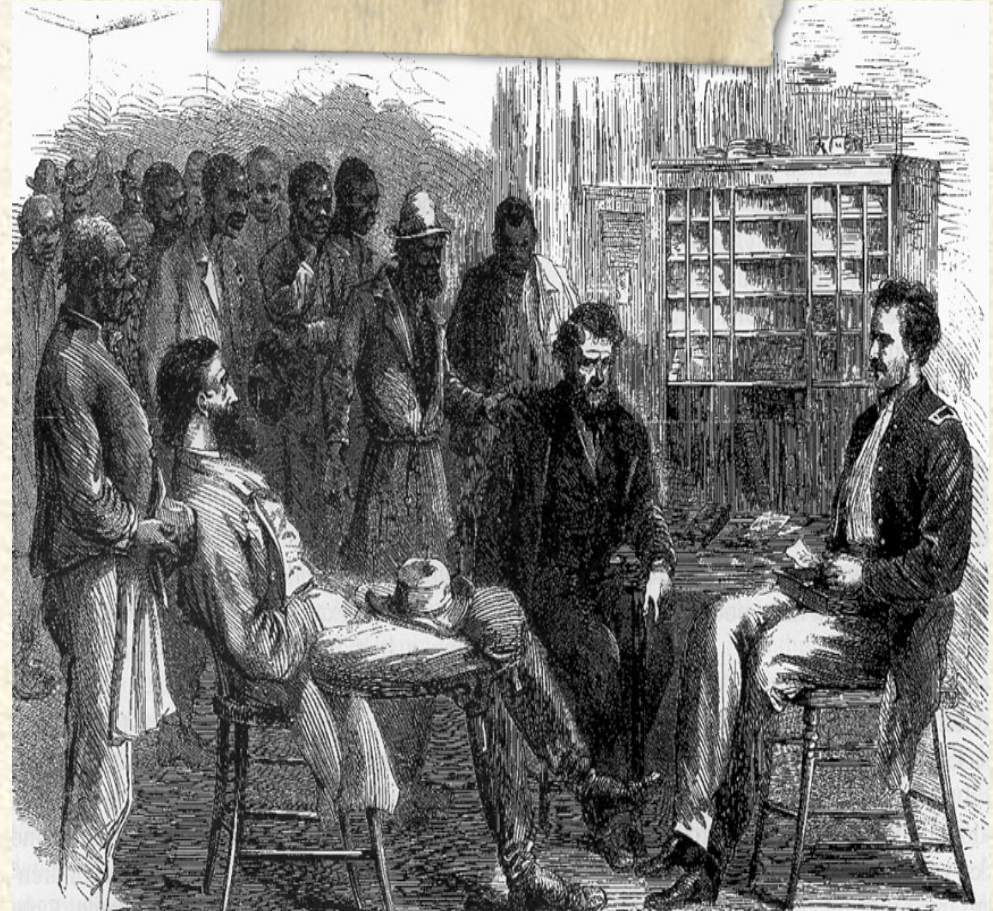

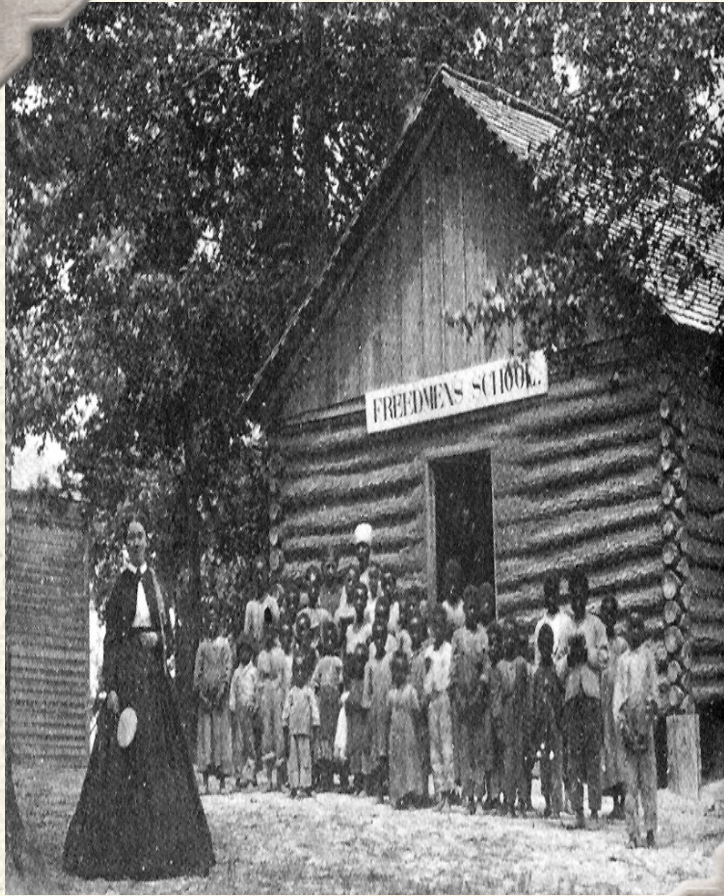

Pardon of Amesty:  
Pardoning of the  
Confederate soilders,  
leaders of the  
south were they had  
to personally ask for  
permission from Johnson.

*on goes here*

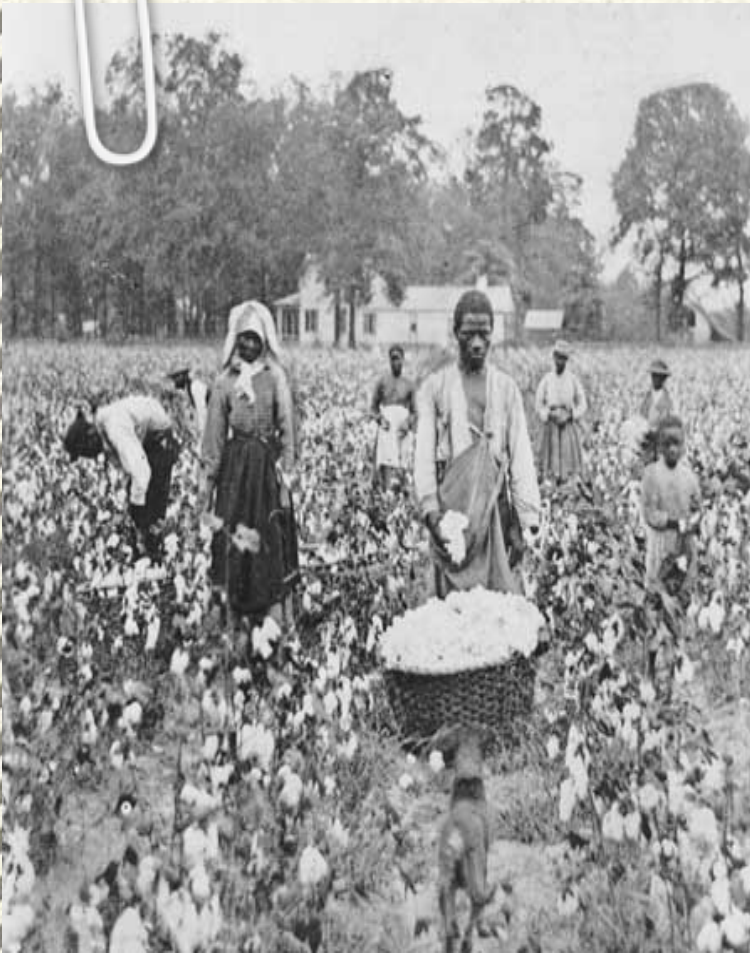

Helped by the Freedmens Bureau African Americans searched for lost family members, made their marriages legal, learned to read and write, and organized to fight for their civil rights.

Sharecropping :  $\frac{1}{3}$  profit to land owner  
 $\frac{1}{3}$  profit to worker and  $\frac{1}{3}$  profit to  
material owners

One Freedom African Americans wanted during reconstruction was the right to serve on juries.

African Americans also  
wanted the right to hold  
office.

*Another  
right African  
Americans  
wanted was  
the right to  
public  
education*

*Thanks to 13th  
admendmet Slaves were  
aloud to oun land.*

*Although not many had any money or could loan  
against the banks*

Debt Peonage: Labor Contract with agreement to work off all debts land owers increased the debt by selling the laborers goods at high prices.
