

The Faces of Reconstruction

*Rebuilding from
whats left*

*After the war, most
freed slaves didnt have
anywhere to go.*

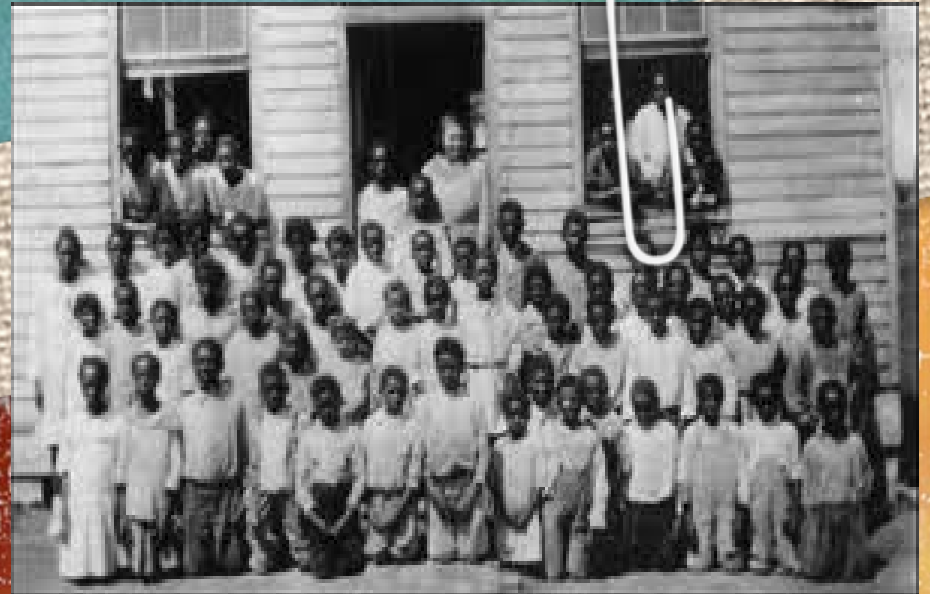

Along with being physically destroyed, it was also hurt economically.

laws made during the reconstruction made it easier for the kkk to "discriminate" against minorities.

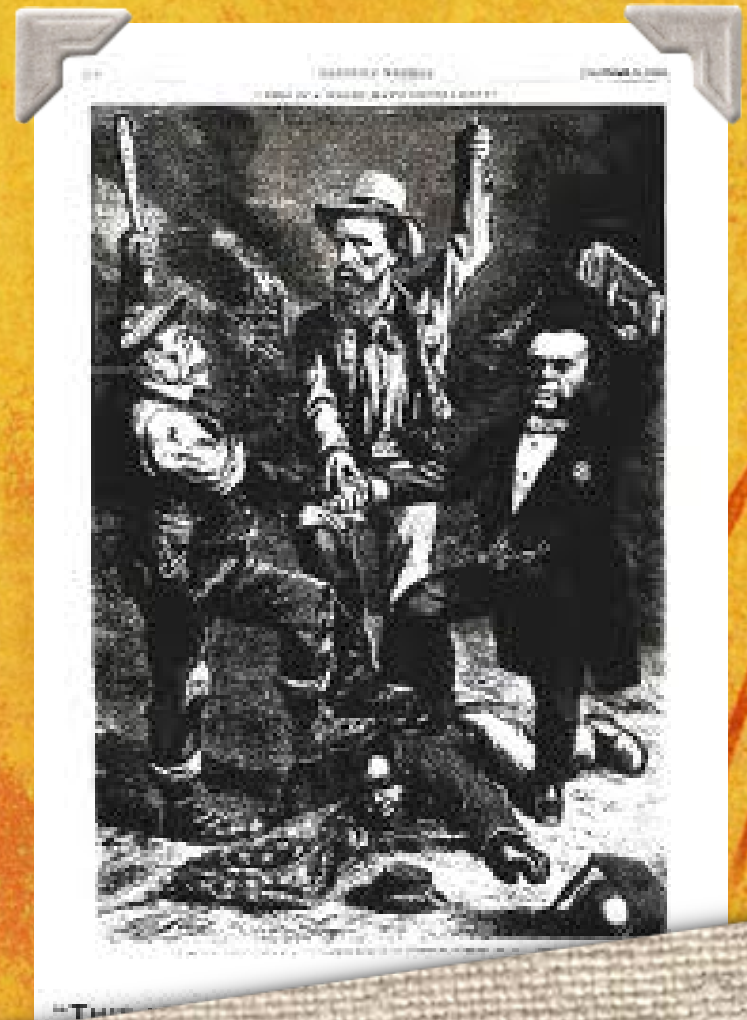

After slaves were freed, it was hard for them to find work.

Most of them didn't have any education.

The south was split into 5 parts.

Reconstruction in the South.
